My dear Mr Jones,

I ought to have sooner written to you to acknowledge your letter of the 14th, stating your acceptance of the office of Principal of Moore College. My not doing so was an oversight which I became conscious of last evening.

Upon the receipt of your letter I communicated its contents to my Co-Trustee Mr E. Knox, and it was a great satisfaction to him as well as myself that the question was thus settled and that we were to have the benefit of your services.

On speaking to the Registrar upon the subject of your coming, he said
that he would be glad
to know when you
would be prepared to
take possession of the
residence, as he would
have to give Mrs Schleicher
notice to vacate the prem-
mises. I do not know whether
he has written to you yet,
making this inquiry.

Believe me,

My dear Mr Jones

Yours very sincerely

William M. Cowper
