A Dangerous Symptom

A Test Of Faith (St. Mark 4:35-41)

By the Reverend Alan M. Stibles, M.A., Vice-Principal of Otago Theological College.

In training his disciples Our Lord's first concern was to lead them to recognize Him, and then to testify to Him, and to be witnesses also. He wanted them to learn to esteem everything to come, to consult with Him, to reprove His Apostles and others, and to answer all questions of safety and fulfillment. It is, however, not enough that such response should be given theoretically by mere verbal assent. It needs to be proved by the practical trial. God teachers always give their pupils some exercises in which the application of what they have learned, and reveal to what extent they have actually made good their answer.

With such thoughts in mind, Mark 4:35-37 describes how Our Lord called the disciples to Him in order to make a comparison of the difference between the faith of the Church and the kingdom of God. They came to Jesus and said, "What manner of man is this? for He even commands the winds and waters, and they obey Him." It was instructive, then, that our Lord gave them several tokens for good—witnesses for the kingdom of God. "They could be to them and do for them."

The Stewardship of Time

(by the Editor)

The current emphasis on the importance of England is having the effect of making Church people aware of the need to use their time and their talents in the service of God. The Rev. Martin Abbot, who was formerly a Bishop of the United States, has said that "the province of Heaven is in use and in waiting." He said that the Lord of the Temple was "the King of the Universe, who was wanting to do business with us."

Money

It is not enough that we should simply pay money to God, but it is necessary that we should use money in the service of God. It is necessary to realize that money is a sacred trust, and that we should not only use it, but also evangelize it. The Lord Jesus Christ said, "You must be like men who have obtained the soundness of the soul, who have obtained the soundness of the body, and who have obtained the soundness of the soul and body together."

350TH ANNIVERSARY OF A.V. OF BIBLE

The 350th anniversary of the publication of the Authorized Version of the Bible will be commemorated this year. The Psalter, the Book of Common Prayer, and the Book of Hebrews are also being published.

The Prime Minister, the Archbishop of Canterbury, and the Archbishops of York and Canterbury have written to the Secretary of State for Education to recommend the use of the Authorized Version of the Bible in all schools. They have also written to the Archbishop of Canterbury to request the use of the Book of Common Prayer in all schools.

The Secretary of State for Education has replied to the Archbishops that he will consider their requests. He has also written to the Archbishop of Canterbury to request the use of the Book of Common Prayer in all schools.

Pseudo-Christians

A Dangerous Area

NEW YORK—Alan Paton, who recently received a distinguished award for his work in the field of human rights, has been accused of being a "pseudo-Christian," rather than being a true Christian. "Pseudo-Christian" is a term used to describe people who claim to be Christians but whose行为 is inconsistent with the teachings of Jesus Christ. Paton, who has long been a vocal supporter of human rights, has been criticized for his support of "communism," which is considered by some to be anathema to the teachings of Christianity.

ANGLICAN UNION WITH METHODISTS

The suggestion that Methodists might be accepted into the Anglican Communion was made by Dr. Gordon Rupp at a meeting of Anglicans and Methodists in Manchester on January 30.

"In The Beginning"

"This is the title of the next "Week-end of Science," the "Research Scientists' Christian Fellowship" for fourth and fifth high school students who are interested in science as a career or hobby.

The weekend will be held at the Methodist Church of Science and Technology, Manchester, on January 17-18, 1961.
There will undoubtedly others who will be seeking the opportunity to be targets of salvation in their faith by life and word to their fellow students.

The Sydney University Evangelical Union (S.U.E.U.) exists for the purpose of helping students of the University of Sydney to know Christ and to grow in knowledge of their faith while they remain students.

The work and life of Charles Gnome of Canterbury (283) may be said to mark the beginning of Evangelicalism as it exists today. It will be interesting to see how the S.U.E.U. will develop and conversion as a real and vital Christian experience. The birth of Christ as the saviour for sin was the heart of their assembly.

There will undoubtedly be questions that need to be answered by the students, and this is theS.U.E.U. is the only body that will be able to answer these questions.

The S.C.M. did not exist when the S.U.E.U. was founded, but it appears to be the only body that has been able to answer these questions.

There will probably be fresher students attending Sydney University from your church this year.

However, while there will be an increase in knowledge, there will be a decrease in the growth of students.

This is the result of the S.C.M., which admitted other than converted students. The S.C.M. did not exist when the S.U.E.U. was founded, but it appears to be the only body that has been able to answer these questions.

A HANDBOOK OF THE

Christian Reformed Church in

THE STORY IN THE BIBLE

The Revised Standard Version of the Holy Bible in Shorten-

form. Arranged by A. B. Davies and E. Henton Davies.

Thomas Nelson & Sons. 292 pp. 20/6 (Aust.).

The authors explicitly state:

“The Story in Scripture is not an anthology of passages selected

for the purpose of drawing theological conclusions. It is

written and compiled by the Mystical Body of Christ in the century of its blood

and suffering, to be read and interpreted by all Christ’s members.

The sections deals with the precept in verse by verse, the Main

theological year and other, the same

question and purpose. Christ, victor over sin and death, is

not the Lord.”

He is the only one who can

have the same understanding of the

truth in the history of the Church.
